

LCC TRIP TO THE RENAISSANCE FAIR

Lords and Ladies of the LCC:

Please join us on an adventure back in time to the Renaissance. Stroll through a recreated 16th Century Renaissance village with many kinds of shops offering unique arts and crafts or delicious food and beverages, watch amazing musicians and dancers, see knights on horseback in a jousting tournament. Experience adventure, merriment, and romance. This is truly a magical place.

The theme day we go will be “Roman Bacchanal” and will include a toga contest.

The Fair is located about an hour and a half north of Houston.
